These vehicles have been adapted for safari use and allow excellent viewing and photographic opportunities through the opening roof hatches.

Leaving our camp, we travel via the Masai town of Mtu Wa Mbu (Mosquito River) that lies adjacent to the Lake Manyara National Park and then up the Rift Valley Escarpment to the higher lying village of Karatu. Look out for the colourful shop-fronts with

their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

DAY 8 DAR ES SALAAM TO ZANZIBAR

A ferry from Dar es Salaam takes us to the "Spice Island," where we spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

Meals: Breakfast
Included Activities: Spice Tour & Dhow Excursion and Zanzibar Excursion

PLEASE NOTE: Meals are for your own account whilst in Zanzibar, as it is our experience that passengers prefer to explore the island on their own, and in accordance with their own budget. The Trip Leader joins you and will arrange your activities, while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer

PLEASE NOTE: New legislation prohibits the taking of photographs during the Zanzibar ferry ride. Spot fines can be issued, if legislation is not obeyed.

DAY 9 TO 10 ZANZIBAR

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

one major attraction – Lake Malawi. There are many small rustic resorts along this freshwater lake where you can kick back on the sand and enjoy the perfect sunset over this lake. Malawi will offer you the perfect sub-tropical climate, allowing you ample time to soak up the sun and work on that tan. Lilongwe is the largest city in Malawi, as well as the capital city. Malawi plays host to just over 12 million people, with English and Chichewa being the main languages.

Lake Malawi

Most your time in Malawi will be spent enjoying the white beaches and warm waters of Lake Malawi. Lake Malawi is also known as “the lake of stars”, offering an abundance of water activities. With the staggering amount of 500 species of fish, this lake makes for an excellent spot for freshwater diving after meeting and greeting all the welcoming locals.

DAY 13 TO 15 IRINGA TO LAKE MALAWI (MALAWI)

Winding our way through the beauty of the Tukuyu tea and banana plantations, we head towards Malawi entering the ‘Warm Heart of Africa’ through the border post at Songwe.

Malawi is a landlocked country with 20% of its total area made up of beautiful Lake Malawi. We travel the length of the western side of the lake, stopping off at various bays and inlets over the next 3 days.

Spend the days learning the game of bao from the locals, scour the markets for a bargain or simply relax on the pristine beaches. Malawi’s temperate climate allows for swimming in the clear blue fresh-water lake all year round. Explore the beautiful shore where you’ll happen upon the local fishermen sorting their catch. Traditional fishing techniques are still practiced and to appreciate their boating skills, try to paddle a dugout canoe yourself! At night, you’ll see the ‘fairy’ lights of the fishermen out on the lake. The various beachside campsites along Lake Malawi’s shores offer many optional Excursions including a variety of water sports, horseback rides and a visit to the local village and school.
