After breakfast, we continue on to the Masai Mara National Reserve. We enter Masai land where these habitual pastoralists are often seen tending their cattle from the side of the road. We pass through the town of Narok, and continue our drive possibly getting a glimpse of some wildlife along the way. The main section of road between Nairobi and the Reserve is in a very poor state, so be prepared for a rough ride! We arrive at our campsite, Acacia Camp in the evening. Acacia Camp looks on to the Meguarra hills and the stream that meanders by on the bottom end forms a natural border to the Masai Mara National Reserve. The Reserve remains unfenced, allowing wildlife to roam freely across into the surrounding area and if they choose – through our own camp! No need to be afraid, as the local ‘Askari’ will keep a look out for any unwanted predators.

DAY 3 MASAI MARA

We depart shortly after sunrise on our game drive into the Masai Mara Reserve. The Masai Mara is well known as one of East Africa’s best National Reserves and is home to a wide variety of wildlife species. Most famous for the Annual Migration, that consists of the impressive herds of over 1 million wildebeest, zebra and Thomson’s gazelle that cross over from the Serengeti National Park in Tanzania; the Masai Mara is most popular between July and October when these vast herds feast on the fresh grazing here. Following these herbivores are Africa’s predators that are often seen at a kill during this period. We game drive through a section of the park in search of the ‘Big 5’- elephant, rhino, buffalo, lion & leopard; along with the many other species of animals, reptiles and birds who make call this wilderness home.

After our game drive, we have the option to visit one of the nearby Masai Manyatta's – this is a traditional hamlet where the Masai still live in their traditional way. This evening we sit around the campfire, and watch the sun set over this "Garden of Eden".

Inland are the vast Serengeti National Park and the animal packed Ngorongoro Conservation area, and thousands of people every year fulfil their lifetime achievement of climbing to the top of Mount Kilimanjaro, which is the highest mountain in Africa. On the coast, Zanzibar is exotic, intriguing and steeped in the unique Swahili culture.

The abundance of plains game in this area is truly astounding. We enter the park through the lesser travelled western corridor and game drive en-route to our campsite in the centre of the park. Tonight, we bush camp (no ablutions) in the wild surrounded by the sounds of the African bushveld, pierced only by the calls of the nocturnal wildlife. It is home to nearly every species of African animal and offers a chance to view an incredible concentration of East African mammals, such as elephant, rhino, buffalo, hippo, lion and plain's game. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

PLEASE NOTE: Meals are for your own account whilst on Zanzibar, as it is our experience that passengers prefer to explore the island on their own, and in accordance with their own budget. The Trip Leader joins you and will arrange your activities, while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer.

PLEASE NOTE: New legislation prohibits the taking of photographs during the Zanzibar ferry ride. Spot fines can be issued, if legislation is not obeyed.

**DAY 14 & 15
ZANZIBAR**

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience.

Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.
