

11 Day Serengeti, Ngorongoro Crater & Zanzibar Camping Safari

The Serengeti National Park has an abundance of game on its grassy plains, where thousands of hoofed animals are followed by the predators, while the Ngorongoro Crater has been declared a World Heritage Site as one of the most important refuges for wildlife in Africa. Northern Tanzania is home to the red-robed Masai people who stalk the plains with their cattle as they have done for centuries, while the coast and Zanzibar are steeped in a long Muslim tradition. Zanzibar offers a tangle of narrow and ancient alleyways to explore in Stone Town and dazzling white beaches. A safari and time on the beach makes a perfect combination.

With a population of nearly 42 million and land area of more than 580 000 sq km Kenya is home to an abundance of animals and colourful tribes people, making it the perfect getaway for a once in a lifetime safari.

DAY 2 NAIROBI TO ARUSHA

Meals: Lunch & Dinner

TANZANIA

Tanzania's natural environment and geographical features have made it one of the best tourist destinations in Africa. Being the biggest country in east Africa, Tanzania has heaps to offer her visitors, including 13 game reserves and national parks. Tanzania also forms part of the world's largest animal's movements, the great migration. Inland are the vast Serengeti National Park and the animal packed Ngorongoro Conservation area, and thousands of people every year fulfil their lifetime achievement of climbing to the top of Mount Kilimanjaro, which is the highest mountain in Africa. On the coast, Zanzibar is exotic, intriguing and steeped in the unique Swahili culture.

DAY 3 ARUSHA TO KARATU

This morning we visit the Meserani Reptile Park and Masai Cultural Museum. A few minutes' walk from the campsite is a gallery selling the bright and iconic Tinga Tinga paintings. Alternatively, the town of Arusha is nearby to explore. After enjoying lunch at our camp against the backdrop of Mount Meru we meet our Tanzanian guides and transfer into locally operated 4WD vehicles. These vehicles have been adapted for safari use and allow excellent viewing and photographic opportunities through the opening roof hatches.

Leaving our camp, we travel via the Masai town of Mtu Wa Mbu (Mosquito River) that lies adjacent to the Lake Manyara National Park and then up the Rift Valley Escarpment to the higher lying village of Karatu. Karatu offers magnificent views over the surrounding hills and has many well-established wheat farms that add to the picturesque panoramas. Tonight, we spend the evening at a very pleasant campsite in Karatu (campsite has ablution

facilities).

Meals: Breakfast, Lunch & Dinner

DAY 4 KARATU TO NGORONGORO & SERENGETI NATIONAL PARK

This morning we depart early for the Ngorongoro Conservation area and head into the wildlife rich Ngorongoro Crater. The Ngorongoro Crater is the largest unbroken, unflooded caldera in the world. Comprising of open savannahs, acacia forests and both soda and freshwater lakes, the Ngorongoro Crater is truly a miniature 'Garden of Eden'. This World Heritage Site boasts some of the best game viewing in Africa – including the elusive Black Rhino.

After our game drive in the Crater, we head down the Crater rim and past the 'Cradle of Mankind' on our way to the Serengeti National Park. We cross the vast plains as we game drive through the southern and central areas in the park. Tonight, we camp (no ablution facilities) in the bushveld surrounded by the sounds of the African wilderness. Without any fences surrounding our campsite we are truly in the midst of nature!

Meals: Breakfast, Lunch & Dinner
Included Activity: Karatu to Ngorongoro Crater & Serengeti National Park Excursion

DAY 5 SERENGETI NATIONAL PARK TO ARUSHA

In the morning, we head off for another game drive and explore the landscape in search of the resident game. With some luck, we may see some of Africa's 'Big 5'! Following our morning drive, we retrace our journey back across the plains and along the lush Crater rim to our truck at Arusha, where we spend the evening musing over our thrilling wildlife experience.

Meals: Breakfast, Lunch & Dinner

DAY 6 ARUSHA TO PANGANI

We head to Arusha this morning to stock up on supplies before continuing on towards Dar es Salaam. On the way, we drive through the town of Moshi situated at the magnificent Mount Kilimanjaro – Africa's highest mountain. Moshi is the base for Mount Kilimanjaro climbing expeditions, and weather permitting; we may even catch a glimpse of this magical mountain's snowy summit - a photo opportunity not to be missed! We pass through vast sisal plantations surrounded by The Usambara and Pare Mountain ranges, before reaching our lovely campsite nestled between these mountains, midway between Arusha and Dar es Salaam.

*Some trips may choose to forego this night at their own cost.

Meals: Breakfast, Lunch & Dinner

DAY 7 PANGANI TO DAR ES SALAAM

Today we continue on to Dar es Salaam. Travelling through lush scenery and palm trees, we near the warm Indian Ocean. Today's drive time is extended due to the heavier amount of traffic heading into the city, but the sights and sounds of Dar's vibrant outer suburbs are sure to keep you entertained. Look out for the colourful shop-fronts with their sometimes humorous 'catch phrases'. On arrival in Dar es Salaam we make our way to our lovely seaside campsite and prepare for our departure to Zanzibar the next morning.

Meals: Breakfast, Lunch & Dinner

DAY 8 DAR ES SALAAM TO ZANZIBAR

A ferry from Dar es Salaam takes us to the "Spice Island," where we have the option to spend the next 3 nights. Zanzibar is steeped in history and was one of the major starting points for most East African explorers in their quest for new lands. New passengers may join us to replace those that'll leave us at the end of our excursion to Zanzibar.

PLEASE NOTE: Meals are for your own account whilst on Zanzibar, as it is our experience that passengers prefer to explore the island on their own, and in accordance with their own budget. The Trip Leader joins you and will arrange everything, while meals can be enjoyed from a wide selection of restaurants. There are also a wide variety of optional excursions on offer.

PLEASE NOTE: New legislation prohibits the taking of photographs during the Zanzibar ferry ride. Spot fines can be issued, if legislation is not obeyed.

Meals: Breakfast
Included Activities: Zanzibar Excursion and Spice Tour & Dhow Excursion

DAY 9 & 10 ZANZIBAR

History aside, Zanzibar offers a wealth of experiences for the visitor. Today the quiet streets of the old Stone Town still retain their Arabic influence, from the Medina-like shops to the palaces of the Sultans, who founded their vast empires on the spoils of the slave and ivory trade. The island is famous for its spices and an excursion around a spice plantation is always a fascinating experience. Other options include a trip to the beautiful beaches and giant tortoises of Prison Island, a full day scuba dive in Nungwe or a fishing trip in a traditional dhow. Mopeds are available for hire if you'd like to explore the more remote areas of the island. Zanzibar is a seafood lover's paradise. Numerous restaurants offer a great variety of the freshest catch from the ocean - crayfish being a popular speciality. Alternatively, mingle with the locals for dinner at the Forodhani Gardens seafront market, where delicious, inexpensive seafood is on offer.

Tour Information

On Booking your Overland Tour, your consultant will send you a full detailed pre-departure information document that will help you prepare. Below is a couple of points on key subjects.

Meals on tour

Meals and menu's vary as food is purchased en-route, and is subject to produce that is available seasonally in the areas we travel through. Our safari cooks are able to offer a wide variety of menu's with the ingredients available, even if the produce on offer is not of the same selection as what you may be used to back home.

The breakfast spread consists of bread (toast when time allows), spreads and cereals with a hot breakfast every few days. Lunches are mostly prepared en-route with a supply of 'build your own' sandwich ingredients available. Dinners are cooked in the evenings on arrival at the campsite. A wide array of dinner menus are on offer during your safari, consisting of curries, stews, pastas and BBQ's!

Transport on tour

Our overland vehicles are custom built converted trucks that have seating space for our passengers and a storage area for luggage and all trip equipment. The trucks seat between 28-30 passengers on our camping trips. Most seats are forward facing, though some models have a combination of forward, backward and some inward facing seats with tables. Vehicles have sliding glass windows, and the seating area is raised providing a great advantage for game viewing and photography. Seats are cushioned and there is storage space for personal items like cameras, snacks and day packs in the seating area.

Participation on tour

All of the tours operated are participation trips meaning that all passengers are expected to help out around camp. The crew members running the trip will set up a rota system that will be followed. One day you may be on cleaning duty, the next day you may be on cooking duty and so forth. This is not only to make the trip easier for all involved but also for you as the passengers to get to know one another while on trip.

The staff and management look forward to welcoming you aboard and trust that you will enjoy your trip with us.
