ITINERARY

4 Days South Africa

DAY 1 JOHANNESBURG / KRUGER NATIONAL PARK

Sawubona! Welcome to South Africa. Your Kruger Short Break starts very early this morning to get you to Kruger for a late lunch. We pick up from most Hotels in Johannesburg. It is imperative you communicate where you are staying with your booking consultant. The exact time of pick-up time will be communicated to your hotel reception in the afternoon prior to day 1 of your itinerary. Please verify this time with reception the evening prior to your start day. You will be provided with an emergency number should you not get your time.

We depart Johannesburg, the 'City of Gold' and head off on an adventure of a lifetime. A truly unique African experience unfolds as we enter the Greater Kruger National Park ecosystem arriving at our campsite in time for lunch (570 km, approx 8-9 hours travel time including stops along the way).

One of the largest game reserves in Southern Africa, Kruger National Park is home to over 500 bird species, 100 species of reptile and 150 mammal species, including the Big Five and the endangered African wild dog.

Our base camp for the next 3 nights is in the Guernsey Private Game Reserve on the edge of the Kruger National Park.

After some time to settle in, head off on a 3-hour afternoon game drive in open 4x4 vehicles in a private game reserve. Enjoy the thrill of spotting an impala, zebra, giraffe or lion, among other animals. Here you're likely to see any of the species that one may encounter in Kruger, since there are no boundary fences between the reserve and Kruger itself. Mid way through the safari stops for drinks at one of the waterholes before continuing the game drive into the early evening.

While at our base camp, we camp in pre-erected 2-man Dome tents. A camp bed and sleeping mat will be provided. However, you will be required to bring your own sleeping bag, pillow and sleep sheet if you require one. Please ask your booking agent about how you can book a sleeping bag for use on the ground. Campsite facilities include hot and cold showers with flushing toilets.

You will also have access to the neighbouring lodge facilities such as swimming pool and bar.
