TOUR ITINERARY

7 Days| South Africa, Zimbabwe

Information is subject to change. Travel times and accommodation can change depending on road or weather conditions, etc. These are used as a guideline only.

DAY 1: PRETORIA - HOEDSPRUIT

Departing from South Africa's administrative city, Pretoria, we drive across the scenic Mpumalanga province and enjoy the spectacular mountain vistas. We stop at the Blyde River Canyon to view the odd looking Three Rondavels rock formations perched at the edge of the Blyde River Canyon and enjoy the crisp air and picturesque views. The Blyde River Canyon is revered as an unusual sight because it is a 'wet' canyon, making it different from the wind-carved dry canyons found in desert regions elsewhere. After lunch we continue our journey making our way to our lodge for the night, set in attractive gardens approx. 1 hours drive from Kruger National Park. After dinner, relax and enjoy the first night on tour.

DAY 2: HOEDSPRUIT – KRUGER NATIONAL PARK

Waking early, we board 4x4 game viewing vehicles for an intense but rewarding day in Kruger National Park. Your professional guide will point out areas of interest as we go. The park is home to over 505 species of birds and 148 species of mammals as well as good number of reptiles and abundant flora. The park has a good network of roads allowing relatively easy access - essential given its size - but has clear rules about encroaching on the animals' space. Ensuring conservation is a high priority, which perhaps helps explain why Kruger is held in such high regard amongst travellers worldwide. We game drive morning and afternoon with a break during the middle of the day to enjoy the peace of the rest camp and wait out the hottest part of the day (when wildlife is usually less active). If you have questions about the wildlife you see, or about the park itself, please ask your resident guide who will be happy to explain the ins and outs of animal behaviour and other interesting sights in Kruger. Eventually we leave the park to return to our accommodation for dinner and overnight.

DAY 3: HOEDSPRUIT - POLOKWANE

After breakfast we leave the Kruger area and travel across undulating countryside to the northern town of Polokwane. The journey takes us through beautiful scenic mountain passes and flourishing citrus plantations nestled along the valleys of the Limpopo Province. Previously known as the Northern Province, this is a land of myths and legends and is also highly rated as a Southern Africa Eco-tourism destination. Arriving in Polokwane, we head off to learn more about the local Bakone culture. This interesting open-air museum allows us to learn about traditional methods of the Bakone tribe who were settled in this area from historic times to the present day. Learn how they made fire, harvested, and prepared the staple mielie meal, and about the interesting decorations that adorn their dwellings. We later make our way to our accommodation nearby.

Please note that some group members may be starting their tour on this day.

DAY 4: POLOKWANE – BULAWAYO, ZIMBABWE

This morning we make our way north, crossing out of South Africa and into Zimbabwe. Immigration formalities at the busy Beitbridge border may be lengthy as this is South Africa's busiest land border. Once completed we continue to Bulawayo, a pleasant city with broad tree lined avenues and wide-open spaces. The area around the city offers much in the way of historical, geological, and natural interest. Several national parks are nearby including the well-known Matobo (sometimes written Matopos) which we shall visit. Our accommodation for the evening is in a quiet garden setting on the outskirts of town.

DAY 5: BULAWAYO – MATOBO NATIONAL PARK

Matobo National Park is located a short distance outside Bulawayo and knowledgeable guides will take us to this very impressive park. This reserve has the largest concentration of black and white rhino in Africa. Provided conditions are right, our guides will lead us on foot to some of the more concealed places in search of these magnificent animals. The park also has the densest population of leopard and black eagle in the world. We keep our eyes peeled high and low for these creatures. This half day tour will end after the walk and a vehicle will transfer you back to the camp for an afternoon at leisure.

Optional Full Day: The wind sculptured Matobo Hills are home to numerous Bushman paintings of which we get to visit on this optional full day tour. The hills are also home to the grave site of Cecil John Rhodes who chose this as his burial place owing to the intense natural beauty and startling views from the hills. His grave can be visited at World's View - a place of continual debate owing to his involvement in claiming the land and its people for Queen & Country in colonial times.

DAY 6: BULAWAYO – VICTORIA FALLS, ZIMBABWE

Departing Bulawayo, we continue north to Victoria Falls. We usually arrive at Victoria Falls by early afternoon. This is a relatively small town built along the southern banks of the Zambezi River and is Zimbabwe's primary tourist centre. The Falls are only a short walk away and the town has a variety of markets, shops, cafes within easy distance. Your tour leader will arrange a briefing to explain the numerous optional excursions typically available here. We end our day joining a peaceful sunset dinner cruise on the Zambezi River. Soak up the African ambience with drink in hand as you cruise slowly up and down, looking out for elephant, buffalo, buck, hippo, and birdlife along the shallow muddy banks of one of Africa's great rivers. We return to our accommodation or try some of the local nightlife.

DAY 7: VICTORIA FALLS, ZIMBABWE

Rising early, we visit the Victoria Falls National Park itself to witness one of Africa's most enduring sights. Please take care when wandering along the pathways inside the reserve - the Falls are almost 100 metres deep and the drops are sheer!

Your tour ends after the falls visit. We do, however, recommend that spend a few extra days to explore the Victoria Falls area. The Zambezi boasts one of the world's highest rated rivers for pure white river rafting through its many challenging and novice rapids. From game walks, Micro-light flight or white-water rafting to name a few, Victoria Falls will capture and fulfil your imagination, validating the myths of the African spirit.

PCR Testing / Requirements

All guests participating in this tour should adhere to and be familiar with any mandatory covid-19 vaccine requirements or PCR testing requirements of the country/countries being visited. All costs associated with PCR testing will be for the guests' own account.

Maximum Number of Passengers

With a maximum group size of 8 to 12 passengers, you benefit from a small group experience. Minimum age on this tour is 8 years old.

Tour Style

To allow for the highlights and experiences packed into this tour, some long distances need to be covered. To minimise the impact travelling inevitably will have on a tour of this nature, we have allocated some days as longer driving days than others. Our intention is to cover the necessary ground as quickly and safely as possible with minimal delays. Border crossings, in particular at Beitbridge (day 4) can be tedious, as are the number of police road checks currently in place in Zimbabwe. We ask that you remain patient throughout. Africa is a wonderful continent to explore but there are occasions when it helps to remember that we are guests here and that when travelling sometimes things will take longer than we would like or expect at home.

Arrival / Departure

Please be sure to arrive 1 day before your tour is due to depart. This will avoid any unforeseen problems. We also highly recommend that you book your flights to depart the day after the tour officially ends to allow for delays and changes.

Pre and Post Tour Accommodation

If you require accommodation before or after your tour, we can arrange this for you. We can also arrange airport transfers – contact your Detour Africa travel agent to make these bookings.

What's included

All tour highlights, twin share accommodation as indicated, services of an English-speaking driver / tour leader, all road and vehicle taxes, all ground transportation, meals as indicated.

What's excluded

Visas, travel insurance, flights, airport transfers, optional activities, laundry, gratuities, passport & visa fees, items of a personal nature. Meals not included are purchased en-route for lunches, and in restaurants for dinner when in towns. Please ensure you budget for these.

Local Payment (Safari Pass)

The mandatory Local Payment (Safari Pass) is paid to your tour leader at the beginning of the tour in USD cash, US dollars in clean, un-torn post 2008 edition notes (or pre-paid by arrangement at the time of booking). It is separate and in addition to the Tour Price and covers the cost of selected park entries, activities, and excursions as well as some accommodation along the way. The purpose of the separate payment is to ensure local suppliers benefit directly from your visit at the time of travel.

Countries Visited

South Africa and Zimbabwe

Accommodation

Twin share accommodation with en-suite facilities as indicated. We mainly use accommodation situated in comfortable and picturesque locations with a pool, restaurant, and bar.

Please note that whilst every effort has been made to select accommodation of a consistent standard throughout the tour there are areas where this is difficult to achieve. We have not designed the tour with international standard hotels in mind but instead have sourced privately owned properties more suited to the environment and our philosophy of helping local benefit from tourism. For that reason, accommodation, hotel facilities and service levels may vary from area to area between and within countries. To a degree this reflects local infrastructure, tourism development, and of the communities whose areas we are visiting. At times you may find lapses in service frustrating, but we ask your patience and that you consider it part of the African experience. Naturally your tour leader will do all he/she can to rectify any problems that may arise as the tour proceeds and although we ask that you accept that not everything on tour is under their or our control.

Transport

Minibus, custom-built vehicle, 4x4 open safari vehicle, river cruise boat, mokoro (please note vehicles are not air conditioned).

Game Park visits

To maximise the quality of game driving and to comply with local authority rulings, some of our National Park visits and game viewing is carried out using services provided by local African ground handlers. As well as enhancing our experience using local guides and smaller vehicles it also allows us to contribute at a 'grassroots' level to local economies from which local people benefit.
